Mr. MAISH, from the Committee on Military Affairs, submitted the following

REPORT:

[To accompany bill H. R. 799.]

Your committee having had under consideration the bill (H. R. 799) to donate condemned cast iron cannon to the Soldiers' Monument Association of Waterville, Me., respectfully report the same to the House with the recommendation that it do pass.

Among the numerous bills of the same general character now pending before your committee there are only five which seek a donation of cannon for decoration of cemeteries. These five bills, including H. R. 799, now under consideration, your committee have decided to report with a favorable recommendation, for reasons given more at large in the report of your committee accompanying bill H. R. 3515.
